Dear important customer,

Pulcra Chemicals is excited to be exhibiting at the upcoming Tech-textil Show slated for **February 26-28 in Raleigh, North Carolina.**

If you or your colleagues are attending the show, **please stop by our booth Nr. 1514, which is part of the German Pavilion**, to say hello and hear about our product range for textiles, fibers, and nonwovens.

We are especially excited about our new durable fluorine-free repellent: **REPELLAN V5**

Safe travels and thank you again for your interest and business with Pulcra Chemicals

Your Pulcra Chemicals Team
