BLUESIGN® SYSTEM – MANAGING INPUTS. RESPONSIBLE ACTIONS.

TEXTILE & FIBER AUXILIARIES

Dear valued customer,

Pulcra Chemicals GmbH – bluesign® system partner since 2013, here with confirms that the products mentioned below meet the bluesign® criteria for homologation, were approved according to the bluesign® system with blue or grey rating and were published in the bluefinder database¹. As a pioneer of introducing the concept of input stream chemical management to the textile industry, bluesign® was announced the first established Level 3 accepted certifier for ZDHC MRS L conformance. Pulcra Chemicals GmbH commits to the ZDHC foundation as contributor. Therefore the whole range of bluesign® approved products by Pulcra Chemicals GmbH is certified with the highest Level 3 in the ZDHC gateway as well.
